

The Devil Made Me Do It

Emil Bulls

(I'll burn it all down)

I just knew instinctively this would end in hell for me
But I was born to play with fire
So let the flames burn higher

Tell me what
Whatcha gonna do
When the sirens sing
Whatcha gonna do
In the face of sin
Whatcha gonna do
When temptation tips the scales

Whatcha gonna do
Swept up in the game
Whatcha gonna do
To escape the shame
Whatcha gonna say
When you're the one to blame

The devil made me do it
The devil made me do it

I swear to god
It's true
The devil made me do it
I am not the only one to blame
The devil made me do it
The devil made me do it
He has his hold on me
Don't you see
He gave me the candy bars
I am not the only one to blame
The devil made me do it
The devil made me do it
The devil made me
I swear to god

Of all the things that I have lost
My mind is what I miss the most
Shattered by desire
It wanders somewhere in the mire

Tell me what
Whatcha gonna do
When the sirens sing
Whatcha gonna do
In the face of sin
Whatcha gonna do
When temptation tips the scales

Whatcha gonna do
Swept up in the game
Whatcha gonna do
To escape the shame
Whatcha gonna say

When you're the one to blame

The devil made me do it, the devil made me do it

It's true

The devil made me do it

I am not the only one to blame

The devil made me do it

The devil made me do it

He has his hold on me

Don't you see

He gave me the candy bars

I am not the only one to blame

The devil made me do it

The devil made me do it

The devil made me

I swear to god

Yeah

It's the curse of a lifetime

I swear to god

The devil draws my lifeline

(The devil made me do it, the devil made me)

It's true

The devil made me do it

I am not the only one to blame

The devil made me do it

The devil made me do it

He has his hold on me

Don't you see

He gave me the candy bars

I am not the only one to blame

The devil made me do it

The devil made me do it

The devil made me

I swear to god

The devil made me
