

## This Day

Emil Bulls

All play and no work makes christ a dull boy  
His life`s a misty lane  
I`m waiting for the night -to come  
I`m waiting for the spots -to shine  
I invite all my friends to be part of this dream

Tonight something extraordinary is possible  
There`s no right or wrong to our way  
This day is mine this day is yours  
Take a deep breath - it`ll blow your mind  
Sample the moment - loop it again  
Tape this day and rewind it

I know you never get enough ... ha... are you ready ... let`s g  
o

Come feel the blood rush into your head  
The sound it creates in your ears  
We`re gonna dance tonight - for sure  
We`ll get our curtain call - once more  
Yes tonight we`re the boys with the most cake and toys
