What If I Told You...

Emilia

Another sleepless night,
So many thoughts I've tried to fight.
Words always come out wrong everytime I try, darling.

I see you passing by,
I wanna run I want to hide,
Wish you could see me now,
What I keep inside.

Bit by bit, I call out in vain,
And I don't know just what to do,
My heart is in pain.

What if I told you,
There's no one above you,
That you're on my mind?
What if I told you, told you I love you?
Would I scare you then?
'Cause on stormy days when rain comes down
I would wrap my arms around you.
So what if I told you,
Would you then be mine?

All right, boy, if you only knew,
Give me a sign, give me a clue.
Am I a fool if I got a crush on you?

Give me a chance to prove,
I'll make it good for you, I swear,
But I'm afraid to ask,
I'm afraid to lose.

Is this meant to be or am I just foolish?
It's so hard to see if you're the only one for me.
