

Where Is My Mind?

Emily Browning

With your feet in the air
And your head on the ground
Try this trick
Spin it
Yeah

Your head will collapse
But there's nothing in
But you ask yourself
Where is my mind?
Where is my mind?
Where is my mind?

I was swimming in the Caribbean
Animals were hiding behind the rocks
Except a little fish, but they told me
He swears he was trying to talk to me, to me

Where is my mind?
Where is my mind?
Where is my mind?

Way out in the water
See it swimming
Where is my mind?

Way out in the water
See it swimming
Where is my mind?
Where is my mind?
Where is my mind?

With your feet the air
And your head on the ground
Try this trick
Spin it
Yeah
