

# Cheat

Emily Burns

Ha ha, woah  
Woah  
Woah Woah, Woah

If it'd been me, I would've called your phone  
Told you that I was needy, feelin' all alone  
One call, hey but maybe that's crazy, that's just me  
If it'd been me, I might've held myself  
Told ya that I was busy seeing someone else, the truth  
Hey but maybe that's crazy, that's just me

I know it's hard to go a day, without it

Don't have to say you're sorry, let's just forget that you're a cheat  
Don't have to feel bad for me, I won't be losing sleep  
But I would've done much better, you messed it up forever  
I know, I'd treat you better  
Maybe that's just crazy, that's just me

If it'd been me, I might've stopped to think  
Done the right thing after I had a lot to drink  
Gone home, hey but maybe that's crazy, that's just me  
If it'd been me I would've pictured you, knowing that'd you'd be her,  
I would've thought this through  
It ain't hard  
Hey but maybe that's crazy, that's just me

You can't help yourself so don't worry about it

Don't have to say you're sorry, let's just forget that you're a cheat  
Don't have to feel bad for me, I won't be losing sleep  
But I would've done much better, you messed it up forever  
I know, I'd treat you better  
Maybe that's just crazy, that's just me

Even after all you put me through, wonder why I'm missin' you  
Maybe that's just crazy, maybe that's just crazy, maybe that's crazy,  
that's just

Don't have to say you're sorry, let's just forget that you're a cheat  
Don't have to feel bad for me, I won't be losing sleep  
But I would've done much better, you messed it up forever  
I know, I'd treat you better  
Maybe that's just crazy, that's just me  
Don't have to say you're sorry, let's just forget that you're a cheat  
Don't have to feel bad for me, I won't be losing sleep  
But I would've done much better, you messed it up forever  
I know, I'd treat you better  
Maybe that's just crazy, that's just me
