

Hello

Emily Burns

D'you know how many lies I've had to tell my friends?
How many nights I've seen out to the end?
Lost count of the times I've rewritten
Messages I'll never send
If you knew all the ways I tried to forget
All the days that I've wasted lyin' in my bed
If you knew that it breaks every little
Piece of me each time you leave

Baby, then maybe you wouldn't call
Maybe then you'd just leave me alone

'Cause I can't help but fall apart
Got me right back at the start
Funny how you always know
When I'm 'bout to let you go
You show up and say hello
And I wish that I could block you out
But, damn, you got your timin' down
Funny how you always know
When I'm 'bout to let you go
You show up and say hello

D'you know how many dates I've driven myself to
Dulling the ache with somebody new
But then all that it takes is just a little
Word from you, if only you knew

Baby, then maybe you wouldn't call
Maybe then you'd just leave me alone

'Cause I can't help but fall apart
Got me right back at the start
Funny how you always know
When I'm 'bout to let you go
You show up and say hello
And I wish that I could block you out
But, damn, you got your timin' down
Funny how you always know
When I'm 'bout to let you go
You show up and say

Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
When I'm 'bout to let you go
You show up and say hello

Just a late drunken text
You'll be fine, I'm a mess
'Cause it's nothin' to you
You got nothin' to lose
And I'll never say no
'Cause I'm stuck in the hope you stay

'Cause I can't help but fall apart
Right back at the fuckin' start

Funny how you always know
When I'm 'bout to let you go
You show up and say...
And I wish that I could block you out
But, damn, you got your timin' down
Funny how you always know
When I'm 'bout to let you go
You show up and say

Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
But I guess I kinda miss you, so
I don't mind one more hello
