

PDA

Emily Burns

Thought that we were perfect suited
I wish I could murder Cupid
'Cause we were kissing in the crowds
Paraded you around
Told everyone I found the one
How could I be oh so stupid

I wanna scream out
I wanna scream out loud
I'm such a loser
I got my head up
My head up in the clouds

Why did I give you that PDA
Why did you tell me you feel that way
If you were only gonna change your mind
And waste my time
I'd take it back again
I gave you my PDA
And now I wish I never did

Now I wish I never did
Now I wish I

Never let you meet my parents
'Cause now I gotta call and tell them
I know I got a little carried away
And all they're gonna say is
You'll be okay
Never liked her anyway
But when you gonna learn your lesson?

I wanna scream out
I wanna scream out loud
I'm such a loser
I got my head up
My head up in the clouds

Why did I give you that PDA
Why did you tell me you feel that way
If you were only gonna change your mind
And waste my time
I'd take it back again
I gave you my PDA
And now I wish I never did

Regret that on that night I
Kissed you but now I wish I never did

Secrets I told you my
Deepest but now I wish I never did

I gave you every part
Of me but now I wish I never did

Now I wish I never did

Why did I give you that PDA
Why did you have to look at me that way?

Why did I give you that PDA
Why did you tell me you feel that way
If you were only gonna change your mind
And waste my time
I'd take it back again
I gave you my PDA
And now I wish I never did

Now I wish I never did
Now I wish I never did
