

I Don't Think About It

Emily Osment

I don't think about it
I don't think about it
Misunderstood
Everybody feels that way sometimes
Oh oh oh oh
I wish I could Fit in with all the rest, but I
Oh oh oh oh
Got my own style
Got my own way
I don't care what people say, yeah
cause I don't think about it
I don't think about it
I don't think about it
Bein' myself there ain't no doubt about it I won't cry any tears
I'll just live without fear
I'm so happy cause
I'm Living my life and I don't think about it

A shooting star
Twinkling across the sky at night
Oh
Near or far
I'm wishing everyting will be alright
Oh oh oh oh
Got my own dreams
Got my own plan
Gonna get there any way I can
cause I don't think about it
I don't think about it
I don't think about it
Bein' myself there ain't no doubt about it I won't cry any tears
I'll just life without fear
I'm so happy cause I'm
Living my life and I don't think about it

Got my own style
Got my own way
I don't care people say, yeah
cause I don't think about it
I don't think about it
I don't think about it
Bein' myself there ain't no doubt about it I won't cry any tears
I'll just live without fear
I'm so happy cause I'm
Livin my life and I don't think about it

I don't think about it
I don't think about it
I don't think about it
Bein' myself there ain't no doubt about it I won't cry any tears
I'll just live without fear
I'm so happy cause I'm
Living my life and I don't think about it

Think about it
Think about it

I don't think about it

Cause I'm living my life and I don't think about
