

Ammonia and Bleach

Emily's Army

I cried myself to sleep each night
a broken heart and a bruise on my eye
I'm desperate, am I being tested?
I woke up with scars on my chest
We were in bed and we were both undressed
Am I rusty? Do I trust me?

I want out cause I can't play
I want in but I can't stay
I hate this
How do I say this?

We go together like ammonia and bleach
At the end of the day we got a secret to keep
Like an A+ student and the king of the beach
We go together like ammonia and bleach
We go together like ammonia and bleach

It's poison, I can't take this, no
It's poison, I can't take this

You crack crack, and whip away
I come back for more the next day
Do I like it? Should I just hide it?
Me me me, riddle me
Narcissist put a spell on me
Clandestine
What about my canine?

I want out cause I can't play
I want in but I can't stay
I hate this
How do I say this?
We go together like ammonia and bleach
At the end of the day we got a secret to keep
Like an A+ student and the king of the beach
We go together like ammonia and bleach
We go together like ammonia and bleach

It's poison, I can't take this, no
It's poison, I can't take this no more

I can't take this no more
I can't stand this no more
I'm walking out that door

We go together like ammonia and bleach
At the end of the day we got a secret to keep
Like an A+ student and the king of the beach
We go together like ammonia and bleach

It's poison, I can't take this, no
It's poison, I can't take this no more
