

Kids Just Wanna Dance

Emily's Army

Going down to my favorite place where everything is in.
They Open up at 7 o'clock and we all charge in.
Jimmy next store will be drunk to the bar and he'll be drunk to
night.
The kids in there all know each other so they aren't going to f
ight.

The kids Just wanna dance, oh yeah
The kids Just wanna dance, oh yeah
The kids Just wanna dance, oh yeah just wanna dance
Oh yeah, just wanna dance

Just the other day I saw them, they were walking down the stree
t.
A stranger bunch of mixed up wierdos that you don't want to mee
t.
And all they ever wanted to do is dance and they don't mean no
harm.
But someone danced just a little too hard and they fell into th
e butcher's arms!

The kids Just wanna dance, oh yeah
The kids Just wanna dance, oh yeah
The kids Just wanna dance, oh yeah just wanna dance
Oh yeah just wanna dance.

The kids Just wanna dance, oh yeah
Just wanna dance, oh yeah just wanna dance, oh yeah just wanna
dance, oh yeah just wanna dance!
