

## All You Got - skit

Eminem

Man, why you doin' this?  
'Cause you owe me  
How? 'Cause I gave you everything  
What?  
And what did you do? You walked away from me  
(Yeah, but—)  
You too fuckin' blind to see I was good for you  
I made you, you were nothin' 'til you found me  
How many times you tried to kill me?  
I always come back  
You can't outgrow me, you can't outthink me  
I'm all you got
