

# Forever

Eminem

It may not mean nothing to yall  
But understand nothing was done for me  
So I dont plan on stopping at all  
I want this shit forever man, ever man, ever man  
Im shutting shit down at the mall  
And telling every girl she the one for me  
And I aint even planning to call  
I want this shit forever man, ever man, ever man, ever man

Last name ever  
First name greatest  
Like a sprained ankle boy I aint nothing to play with  
Started off local but thanks to all the haters  
I know G4 pilots on a first name basis  
In your city faded off the brown, Nino  
She insists she got more class, we know  
Swimming in the money come and find me, Nemo  
If I was at the club you know I ball, chemo  
Drop the mixtape that shit sounded like a album  
Who'da thought a country wide tour'd be the outcome  
Labels want my name beside the X like Malcolm  
Everybody got a deal, I did it without one  
Yeah nigga I'm about my business  
Killing all these rappers you would swear I had a hit list  
Everyone who doubted me is asking for forgiveness  
If you aint been a part of it at least you got to witness  
Bitches

It may not mean nothing to yall  
But understand nothing was done for me  
So I dont plan on stopping at all  
I want this shit forever man, ever man, ever man  
Im shutting shit down at the mall  
And telling every girl she the one for me  
And I aint even planning to call  
I want this shit forever man, ever man, ever man, ever man

I used to have hood dreams  
Big fame, big chains  
I stuck my dick inside this life until that bitch came  
I went hard all fall like the ball teams  
Just so I can make it rain all spring  
Yall seen my story my glory  
I had raped the game young  
You can call it statutory  
When a nigga blow up they gon build statues of me  
Old money Benjamin Button, whaat, nuttin  
Now superb bad chicks giving me McLovin  
You would think I ran the world like Michelles husband  
You would think these niggas would know me when they really doesnt  
Like they was down with the old me no you fucking wasnt  
Youre such a fucking loser  
He didnt even go to class Bueller  
Trade the Grammy plaques just to have my granny back  
Remember she had that bad hip like a fanny pack  
Chasing the stardom will turn you into a maniac  
All the way in Hollywood and I cant even act

They pull their cameras out and God damn they snap  
I used to want this thing forever yall can have it back

It may not mean nothing to yall  
But understand nothing was done for me  
So I dont plan on stopping at all  
I want this shit forever man, ever man, ever man  
Im shutting shit down at the mall  
And telling every girl she the one for me  
And I aint even planning to call  
I want this shit forever man, ever man, ever man, ever man

Ok, hello it's da Martian  
Space jam Jordans  
I want this shit forever wake up and smell the garden  
Fresher than the harvest  
Step up to the target  
If I had one guess than I guess I'm just New Orleans  
And I will never stop like I'm running from the cops  
Hop up in my car and told my chauffeur to the top  
Life is such a fucking roller coaster then it drops  
But what should I scream for this is my theme park  
My minds shine even when my thoughts seem dark  
Pistol on my side you dont wanna hear that thing talk  
Let the king talk check the price and pay attention  
Lil Wayne thats what they got to say or mention  
Im like Nevada in the middle of the summer  
Im resting in the lead I need a pillow and a cover  
Shhh, my foots sleeping on the gas  
No brake pads, no such thing as last

It may not mean nothing to yall  
But understand nothing was done for me  
So I dont plan on stopping at all  
I want this shit forever man, ever man, ever man  
Im shutting shit down at the mall  
And telling every girl she the one for me  
And I aint even planning to call  
I want this shit forever man, ever man, ever man, ever man

There they go, packin' stadiums as Shady spits his flow  
Nuts they go, macadamian they go so ballistic, whoa  
He can make them look like Bozos  
He's wondering if he should spit this slow  
Fuck no! Go for broke  
His cup just runneth over, oh no  
He aint had a real buzz like this since the last time that he overdosed  
Theyve been waiting patiently for Pinocchio to poke his nose  
Back into the game and they know  
Rap will never be the same as before  
Bashing in the brains of these hoes  
And establishing a name as he goes  
The passion and the flame is ignited  
You cant put it out once we light it  
This shit is exactly what the fuck that I'm talking about when we riot  
You dealin with a few true villains  
Whose stand inside of the booth truth spillin  
And spit true feelings, until our tooth fillings come flying up out of our mouths  
Now rewind it!  
Payback muthafucka for the way that you doubted me hows it taste?  
When I slap the taste out your mouth with the bass so loud that it shakes the place

Im Hannibal Lecter so just in case youre thinking of saving face  
You aint gonna have no face to save by the time I'm through with this place  
So Drake

It may not mean nothing to yall  
But understand nothing was done for me  
So I dont plan on stopping at all  
I want this shit forever man, ever man, ever man  
Im shutting shit down at the mall  
And telling every girl she the one for me  
And I aint even planning to call  
I want this shit forever man, ever man, ever man, ever man
