

# Say What You Say

Eminem

[Dr. Dre]

Huh, so I'm out the game huh?

[Eminem]

Yo Dre, we riding?

[Dr. Dre]

Whatever

[Eminem]

Well I'm with you homie

[Dr. Dre]

OK, let's handle this small shit

[Eminem]

I was born to brew up storms 'n stir up shit  
Kick up dust, cuss 'til I slur up spit  
Grew up too quick, went through too much, knew too much shit  
Corrupt and I'm pour it on like syrup, bitch  
Thick in gritz, sick and twisted Mr. Buttersworth  
Dre told me to milk this shit for what it's worth  
Till the cow just tilts and tips 'n stumbles to earth  
And if I fumble the verse, keep going  
First take, I make mistakes, just keep it  
No punches, pull no punches, that's weak shit  
Fake shit if I ever take shit, I eat shit  
Wasn't for him? I wouldn't be shit

[Dr. Dre]

Creep with me, as we take a little trip down Memory Lane  
Been here longer than anyone in the game  
And I ain't got to lie about my age

[Eminem]

But what about Jermaine?

[Dr. Dre]

Fuck Jermaine, he don't belong speaking mine or Timbaland's name  
And don't think I don't read your little interviews and see what your saying  
I'm a giant, and I ain't gotta move till I'm provoked  
When I see you, I'ma step on you and not even know it  
Ya midget, Mini-Me, with a bunch of little Mini-You's  
Running around your backyard swimming pools  
Over 80 million records sold  
And I ain't have to do it with 10 or 11 year olds

[Chorus:]

Cause what you say is what you say  
Say what you say how you say it whenever you saying it  
Just remember how you said it when you was spraying it  
So who you playing with huh huh huh huh?

Cause what you say is what you say  
Say what you say how you say it whenever you saying it  
Just remember how you said it when you was spraying it  
So who you playing with huh huh huh huh?

[Eminem]

Second verse, it gets worse  
It gets no better than this  
Amateurs drink veteran piss  
From a Dixie cup, if you ever mix me up  
Or confuse me with a Cannabis or Dre with a Dupri  
Will rub it in, every club your in, we'll have you  
Blackballed and make sure you never rap a fucking again  
Dre ain't having it as long as I'm here to play Devil's Advocate

[Dr. Dre]

If there was some magic shit I could wave  
Over the industry that could save it when I'm gone  
And bury to make sure the tradition carries on  
I would

[Eminem]

If I could only use this power for good  
I wouldn't, not even if I could

[Dr. Dre]

From the hood and I'm a hornet  
And I'ma only sting when I'm cornered

[Eminem]

And I'ma only sucker punch or swing without warning  
And swing to knock somebody's fucking head off  
Cause I know, when they get up, I won't get a chance to let off  
Another punch, I'm punk-rock, no one's punk  
Don't give a fuck, white Pac, so much spunk  
When I was little I knew I would blow up  
And sell a mil or grow up to be Attila  
Go nuts and be a killer

[Dr. Dre]

And I'm something of a phenom  
One puff of the chron  
I'm unstoppable, I'm alive, I'm on top again  
There's no obstacle that I can't conquer  
So come along with us (Come On)

[Chorus:]

Cause what you say is what you say  
Say what you say how you say it whenever you saying it  
Just remember how you said it when you was spraying it  
So who you playing with huh huh huh huh?

Cause what you say is what you say  
Say what you say how you say it whenever you saying it  
Just remember how you said it when you was spraying it  
So who you playing with huh huh huh huh?

[Dr. Dre]

Now anybody who knows Dre  
Knows I'm about fast cars and alize, partying all day  
But I handle my business cause it's work before play  
Don't look for trouble but I serve you gourmet  
However you want it, you could have it your way  
You fuck my night up, I'ma fuck up your day  
Bullet with your name, sending it your way  
That goes for anyone who walks through that doorway  
Cause this is my space, you invade it

Live to regret it and you die trying to violate it  
Fuck around and you'll get annihilated  
Eyes dilated

[Eminem]

Ha, like my old lady  
Cause what you say is what you say  
Sometimes what you mean is 2 different things  
Depending on your mood, if it swings, think too many things  
Little bit of Dre's weed, I can do anything  
Catch a contact, then I'm gone and I'm back  
I speed write and my loose leaves my launch pad

[Dr. Dre]

And I can pull any string  
Don't have to prove anything  
Catch a contract on your head  
You headed West, talk shit about Dre?  
You better get a vest, then invest in something  
To protect your head and neck

[Eminem]

And it's back and forth all day like Red and Meth  
I joke when I say I'm the best in the booth  
But a lot of truth is said in jest  
And if I ever do live to be a legend  
I'ma die a sudden death, 5 mics in The Source  
Ain't holdin' my fucking breath  
But I suffocate for the respect  
Fore I breathe to collect the fucking check

[Chorus:]

Cause what you say is what you say  
Say what you say how you say it whenever you saying it  
Just remember how you said it when you was spraying it  
So who you playing with huh huh huh huh?

Cause what you say is what you say  
Say what you say how you say it whenever you saying it  
Just remember how you said it when you was spraying it  
So who you playing with huh huh huh huh?

[Dr. Dre]

Watch your fuckin' mouth

[Timbaland]

Yo this Timbaland, tell him I said suck [chicka] my dick
