

## The Art Of Rap (Freestyle)

Eminem

How the fuck he got an Oscar?  
Passed out in his red Mazda  
With his fucking head in his pasta  
In the parking lot of k-mart plaza  
Across from the red lobster  
Looking like the Lochness monster  
Dressed like a cross-dressed mobster  
Talk is cheap it costs less to gossip  
I'd probably be a lot less  
Hostile if you snots kept your shnozzes out the airholes  
Or get fucked in all seven holes  
Ass, mouth, pussy, yeah both ears and hah! yes nostrils  
At the ozzfest with nas bumping das efx in wrecked up Datsun  
And dropped two extra strength Watson vicodin out my pocket  
They cost less I'm a hot mess cause I tripped and got my head s  
tuck  
In a wasp's nest in the process awesome

Drunk as fuck  
One sock pulling my boxers up with boxing gloves  
But I keep dropping my fucking binoculars  
Got two fucking hydroxycuts and four oxy's stuck in my esophagu  
s  
These three lesbian little stocky sluts  
Thought I swallowed two hockey pucks  
Started screamin' "Serves you right you cocky fuck!"  
That's what you get for mockin' us  
Ain't as cool as you thought you was."  
Bitch all I did when I walked up was have my dick in a sock  
And it's a sock puppet so no strings attached you can all suck  
it  
(Chick-uh) get it? Ah fuck it  
Shits about to get hairy as motherfucking Chewbacca's nuts  
Cocksuckers
