

Pitbull Terrier

Emir Kusturica The no smoking orchestra

I'm Willful and I'm skillful
I'm d d d delightful
And I find myself mixed
Between beauty and the beast

Kill them quick is my motto
Than police take a photo
Than police take a photo
On a sunny side of street

The wolf I like the most
He refused to be a dog
He refused to be a dog
Just like Lesi was

Just show me a bloke
And in seconds I 'll choke
In second like tomato
Like tomato I'll squeeze

I'm hit and I'm fit
And I never never quit
When I bleed I bleed
Like James Cagny on the screen

I shit and I spit
And I don't care a bit
I am proud and I happy
Cos I am not a human been

I never feel sadness
I never feel pain
With my cunning and with my stealth
I don't need a brain
