

# Gonna Leave You Alone

Emitt Rhodes

Girl, if you want I'd love to go on  
You'd better change or it won't be long  
I love you, girl, please don't cheat on me  
You've got to choose, is it him or me?

I'm gonna leave you alone  
I'm gonna leave you alone  
I'm gonna pick up my bags, ain't coming back here anymore

I've given you so many chances  
Soon we'll know where our romance is  
It's time we sit down and straighten things out  
Before it's too late, girl, you better find out

I'm gonna leave you alone  
I'm gonna leave you alone  
I'm gonna pick up my bags, ain't coming back here anymore

I'm gonna leave you alone, oh yeah  
I'm gonna leave you alone, oh yeah  
I'm gonna leave you alone, oh yeah  
I'm gonna leave you alone, alone  
I'm gonna leave you alone
