

## Let's All Sing

Emitt Rhodes

Well, she's the kind of woman  
Take everything you have  
She's the kind of woman  
Turn a good man into bad

Now don't you worry now, she's gone  
You're better off that way  
Now don't you worry now, she's gone  
Been worse if she had stayed

Well, spending all your money  
And wasting all your time  
But when she calls you honey  
Everything is fine

Now don't you worry now, she's gone  
You're better off that way  
Now don't you worry now, she's gone  
Been worse if she had stayed

Well, let's all sing, la-la-la-la-la-la-la-la  
Aren't you feeling better now that she has gone away?  
Well, let's all sing, la-la-la-la-la-la-la-la  
Aren't you feeling better now that she has gone away?

Well, she's the kind of woman  
Take everything you have  
She's the kind of woman  
Turn a good man into bad

Now don't you worry now, she's gone  
You're better off that way  
Now don't you worry now, she's gone  
Been worse if she had stayed

Well, let's all sing, la-la-la-la-la-la-la-la  
Well, let's all sing, la-la-la-la-la-la-la-la  
(Aren't you feeling better now that she has gone away?)  
Well, let's all sing, la-la-la-la-la-la-la-la  
Well, let's all sing, la-la-la-la-la-la-la-la  
(Aren't you feeling better now that she has gone away?)  
Well, let's all sing, la-la-la-la-la-la-la-la  
Well, let's all sing, la-la-la-la-la-la-la-la  
(Aren't you feeling better now that she has gone away?)  
Well, all we are saying  
Is give peace a chance  
Well, all we are saying
