

Abbu

Emiway Bantai

Aaj main jo kuch bhi hoon
Sabki wajah mere abbu
Sabse pyara aur sabse alag tu
Boht pyar tujhse lekin parantu
Nahi karta vyakt kyun ki Khud main magan hoon
Dikhata hu aisa lekin dharti gagan tu
Kash kar pata undo kyun ki life meri jhando
Jaisa karta pehle baat ab bilkul vaisa nahi hai
Papa khush mere aisa kuch shot nahi hai

Jo galat hai woh sahi hai, Jo sahi hai woh nahi hai
Jo nahi hai woh nahi leta our kitna chahye tujhe
Parshaniyan har baat pe dheyaan diya
Mujhe tune geyaan diya han tujhko maan liya
Tuhi dost tuhi pyar tuhi baap
Tuhi woh mujhe jo banna hai
Tu meri zinagi ka wo aik kitaab hai
Jiska maine parhna har aik paana hai

Main baap banna chahta hoon
Main baap banna chahta hoon
Main baap banna chahta
Tere jaisa, tere jaisa

Ankhein naam hoti meri jab dekhu
Main tere chehre ko
Chehre pe tere udasi toh takleef hai mereko
Par kyun hum main tujhse kehna chahta hu rehne do
Bas karo abbu aaj mujhe kuch kehne do

Suno! samjh geya halat ko tere
Zindagi main tere par tere
Zimmedari ko leke chale tu savere
Kaam pe nahi jeeta tu aram se nikal chuka hai
Dhyaan se tere kaise jeeta khud ke liye

Khud se liye tune itne saare bojh
Tu bhi karna chahta maujh tu bhi ghumna chahta roz
Mehengi car mein par yaad mein ghume tere
Woh baatein jo batein tujhe jeene se rokke
Haan peene se rokke mehngi drinks
There's no fling there's no bling there's no ring
Sirf aik normal sa shirt khudke liye kam kharch
Paleekis khata peeta our jeeta jaisa khush hai
Tere liye hu kharha gam baata kar tu mujhse

Main baap banna chahta hoon
Main baap banna chahta hoon
Main baap banna chahta
Tere jaisa, tere jaisa

Abbu chahta hu main sirf teri khushi
Phir se lana chahta hu main teri wo hansii
Jo hansii boht pehle thi par ab nahi
Han mera abbu ab bhi young pucho kon fasi kon-kon
Boht hard boht billa jo main kharha akela
Abbu bole main pichhe tere beta tu kar bismillah

Shukar Allah jo mile mujhe tum wallah-wallah
Tune samjhaya kiya asli kiya nalla
Tere raste pe chala jaisa som sai Allah

Mere sath do is kam pe nahi ghumna chahta vella
Kyun ki wella tha main pehle boht
Nahi samjhata tha main chot
Mehnat ki han mere abu ne boht mehnat ki
Itne se itna hua sab kuch dilaya
Main giraa pada tha usne uthna sikhaaya
Haan! main aya is duniya main banna chahta tera saya
Tune boht hai kamaya bari ab mera hai aaya

Main baap banna chahta hoon
Main baap banna chahta hoon
Main baap banna chahta
Tere jaisa, tere jaisa

Main baap banna chahta hoon
Main baap banna chahta hoon
Main baap banna chahta
Tere jaisa
