

Kiye kuchh waade the jisse, nibhaya nahi  
Par galtiyon se seekha phir dohraya nahi  
Jab jarurat thi inki mujhe, koi aaya nahi  
Buri aadaton pe waqt karna zaya nahi  
Khada hai yaar tera, kisse bhulaya nahi  
Dil mein hai pyaar bhara toh koi paraya nahi  
Sab hai sukoon ke khoj mein, koi paya nahi  
Mai paya sajde mein, kise bataya nahi

Haan, duniya ye nafrat se chalti hai  
Koi aage badh jaaye toh jalti hai  
Jab matlab mai samjha in rishton ka  
Samjha ke duniya toh matlab se chalti hai (Matlabi)  
Galti ye ki maine kaafi baar  
Apno mein wafa ko dhundte rahe (Apno mein)  
Par humko hi bewafa keh diya  
Bewajah ye tabah karke gaye (Ha-ha-ha)  
Meri badnaami log karte rahe  
Sach kya hai jaanke bhi sare-aam chup hu (Shh)  
Mujhe gira ke upar jane ke chakkar mein kitna niche gir rahe sa  
ale  
Inhe dekh ke mai khush hu (Ha-ha-ha-ha)  
Soch ke ye achha lagta hai mujhe  
Mere rab ne shukar hai in jaisa nahi banaya (Shukar hai)  
Shows ho ya brand, ye sab zyada kiye bina  
Inse zyada gaana daal ke inse zyada mai kamaya  
Mujhe mat dikha ye guroor, ye ghamand  
Jis zindagi ko jee raha tu, wo kab ka jee ke aaya mai  
Sabse hatke soch iss laalchi duniya mein rakhne walo mein se si  
rf aaj akele ko paya mai  
Nibhaya mai jo bhi bola aaj tak mic pe  
Sirf gaano mein nahi, OG hu real life mein  
Khuda ke raaste pe chal raha hu par  
Shaitan bhi saath baitha hua hai side mein (Ha-ha-ha-ha-ha)

Kiye kuchh waade the jisse, nibhaya nahi  
Par galtiyon se seekha phir dohraya nahi  
Jab jarurat thi inki mujhe, koi aaya nahi  
Buri aadaton pe waqt karna zaya nahi
