Emiway Bantai

You know when I made a choice, to start singing
It was because of something that my father had told me, which was, you know,
"There's no rapper out there that sings and raps and does it well, does both things well"
And he's like, "In order to be successful, you're gonna need something other than just what everyone else is doing"

Das saal se relevant, sambhala poora game
Das saal mein bees milli', isko bolte fame
Das number jersey, no mercy, messy hai game
Das mein se das poora das saal (Damn)
Shuru hua gaira, bhidne aaya chhote bahar aa (Kidhar hai?)
Tera mera karna maine chhoda jab tha pandrah (Saal)
Kuch bhi nai jamra soul ha jawaab dene laga
Mere saath raha bure aadatein jo life se ab hatra (Bye)
Hoon knees pe ab twenties mein ikees mili BKP
Jio Garden concert matlab jaam poora BKC
Kuch gaane nuclear to kuch gaane TNT
Tu jiske peeche uske liye phone hai mera on DND
Ha DM bhi check nai karta aaj kal main (Sabse door)
Dimaag mera shaant lagta jaise hoon Himachal mein (Shh)
Khuda ki baat sunta iklauda rapper main
Mujhe jannat mila yahan isliye khaha raha nai hoon apple main
High hoke life mein escape kar raha tha lows
Badla perspective aur enter kiya naya zone
Shift kara mindset ab khudpe control
Alternate options seedha delete maarde bro
Batao kyun we are the young GOAT iss scene mein
Kyunki hustler mere abbu wo cheez genes mein
Thoda kaamyabi haasil to bande karte talk
Position number one band kardia maine number lock

Independent versus label ye koi hoax nai
Tu nai independent kyunki tujhe khudpe hopes nai
LOL baatein teri lekin ye koi joke nai
Jo khule aam aake bole, log phailare hoax bhai
Babu sun (Aye)
Kya bola tu kuch artist establish karne ko
Independent versus label ka phailaaye afwah?
Ye afwah nai hai, tu nai kiya, wo kar raha main
Khudke marzi ke malik hum label se lete nai tankhwah
Hoon sharp bhai, tu smart ban
Sign hoke laala tere ho gayele aankh band (Aankh khol)
Banna to baap ban
Shaane zara smart ban (Shaane)
Kya bolra sochke bol (Soch)
Khota karde baat band (Shh)
Chaar jan, aayenge milne tujhse haath
Jab bhi tu pahuchega top

Phir banenge tere wo baap (Papa)
Mujhe to kehna ye baat tha ki (Haa to sun)
Haath milaake chalne mein koi buri baat nai hai
Lekin haath milate waqt paper pe teri baat nai hai (Hello)
To phir sign nai karna compromise karke shine nai karna
Logon ko sahi gyaan de be
Independent aur label ki baatein combine nai karna
Jyada se jyada har family mein maloom nai terko sab alag se chalti hai (Jaake dekh)
Alag se chalna hi padta hai poori family beta usi se jalti hai
Use nai farak kaun kar raha believe
Use bas khuda aur khudpe believe
Use dekh akela kar raha achieve
Use dekh dikhega nai be badhir
Akad hai akad hai chhote ye akad nai pakad hai
Paise lagake badhayenge streams
Bantai se phir kayka takkar hai?
Bina sahaara itne saal se
Itne saare opps hai par koi nai paare mujhe paar ye
Competition koi nai mere saamne
Drama'e na karu mujhe kaam hai
Bura lage gaali du jab maa pe
Lage cool jab bhi bole bhargaon ke
Ye kehte different hai vibe jab bhi tu ghusta hai booth
Main kehta Bantai aur Emiway mere do-do hai roop
Bol chahiye smoke to main Snoop
Har gaana bajta on loop
And be a star forever har gaana bole to hoop (Kobe)
Hum one side industry mein, bina koi handshakes
Iss Shaikh ke paas Bollywood khano' ke jaisa fan base (Haq se BKP)

Haan
Jaate jaate ek baat aur bolunga
Ek mahaan purush ne ek baat boli thi
Tumhe agar jis cheez ke baare mein maloom baat nai hai to uss cheez ke baare mein baat mat karo
Aur wo mahaan purush
Mai'ich hoon
Hahaha, malum hai na
