Kiska hisaab karne ka hai? Kitna total hai, haan?
Ae, kya total hai re tera?

Tu aur teri gang, beta sab chhote pokal hai
Jaan daalde sabme haan, aisa apna vocal hai
International bhai tera, vibe ab bhi local hai (Haan, local hai)

Koi fook ke wahaan badeer ho raha hai
Pyaar mein Kabir ho raha hai
Kaala paisa gora karke, ameer aur ameer ho raha hai
Mazdoor wahi ro raha hai, duniya ajeeb ho raha hai
Qayamat kareeb ho raha hai, gareeb aur gareeb ho raha hai
Haan, kyu ho raha hai? Thanda rakh dimaag jaise Manali
Andar se aaj bhi beta zinda hai woh mawali
Life ki gaadi ek number, utar gaye sawaari
Iss liye toh range mein aaj two seater Ferrari
Haan, tere jaise saamne naache dekh idhar madaari
Fans itne saare, abhi venue de rahi jagah nahi
"Lyrics kidhar?" puchhke vibe ki yed meri bhaga nahi (Jaa naa bhai)
Pachis hai ye saal, apun banega dekh Ambani
