

Ageless

Emm Gryner

I'm at Mount St. I Don't Know
I'm lookin' up
I can't see around
All the heartaches, headaches, earthquakes
I know that I
Tore things down

I go out after midnight just to see you play

Cuz you're ageless contagious
You gotta be seen to be believed
You're groundless, you're boundless
You're rock n roll and I'm the queen
When I'm around you
Life doesn't make a move
It just stops for you

I'm at Great Lake I Don't Care
I'm sinkin' down
I can't see the shore
I'm older and I'm a solder
But there must be more
