

The Time Is Now

Emma Bale

You're my last breath
You're a breath of fresh air to me
I am empty
So tell me you care for me
You're the first thing
And the last thing on my mind
In your arms I feel
Sunshine

All the promise
A daydream yet to come
Time is upon us
Oh, but the night is young
Flowers blossom
In the wintertime
In your arms I feel
Sunshine

Give up yourself unto the moment
The time is now
Give up yourself unto the moment
Let's make this moment last

You may find yourself
Out on a limb for me
Could you accept it as
Part of your destiny?
I give all I have
But it's not enough
And my patience's all shot
So I'm calling your bluff

Give up yourself unto the moment
The time is now
Give up yourself unto the moment
Let's make this moment last

Give up yourself unto the moment
The time is now
Give up yourself unto the moment
Let's make this moment last

And we gave it time
All eyes are on the clock
Time takes too much time
Please make the waiting stop
And the atmosphere is charged
In you, I trust
And I feel no fear as I
Do as I must

Give up yourself unto the moment
The time is now
Give up yourself unto the moment
Let's make this moment last

Give up yourself unto the moment

The time is now
Give up yourself unto the moment
Let's make this moment last
