Trust Issues

Emma Bale

Ey yeah yeah yeah yeah
Ey yeah yeah yeah yeah
Ey yeah yeah yeah yeah
Ey

You think I'm getting paranoid
Tried to but I can't avoid it
Listen to my inner voice
But you don't give me choices
Yeah, you know that I would care less
I just need you being honest
There's no alibi that I would mind
That you can hide

I got trust issues
Even when I'm with you
I got trust issues in me
Yeah, I got trust issues
Shouldn't when I'm with you
I got trust issues indeed

Ey yeah yeah yeah yeah (I got no one)
Ey yeah yeah yeah yeah (I'm so low but)
Ey yeah yeah yeah yeah (I got no one)
Ey (I'm so low)

They say it's generational
That everything is cyclical
Well, maybe 'cause I sing it all
That's why I'm going crazy
I'm just tryna understand why we met
Can't believe that we'd fight over that
I'm just tryna cut the roots, say the truth
Separate my past from you

Still I got trust issues (ey yeah yeah yeah yeah)
Even when I'm with you (ey yeah yeah yeah yeah)
I got trust issues (ey yeah yeah yeah yeah) in me (ey)
Yeah, I got trust issues (ey yeah yeah yeah yeah)
Shouldn't when I'm with you (ey yeah yeah yeah yeah)
I got trust issues (ey yeah yeah yeah yeah) indeed (ey)

What if we just try to feel love again?
I know you'd never lie but I can't pretend
What if we just try to feel love again?
I know you'd never lie but I can't pretend

Still I got trust issues (ey yeah yeah yeah yeah)
Even when I'm with you (ey yeah yeah yeah yeah)
I got trust issues (ey yeah yeah yeah yeah) in me (ey)
Yeah, I got trust issues (ey yeah yeah yeah yeah)
Shouldn't when I'm with you (ey yeah yeah yeah yeah)
I got trust issues (ey yeah yeah yeah yeah) indeed (ey) (indeed)

Ey yeah yeah yeah yeah
