

# I Wish I Could Have Loved You More

Emma Bunton

I wish I could have loved you more  
I wish I could have loved you more  
I wish I could have loved you more  
I wish I could have loved you more

And ever since that day I had to say goodbye  
How I long to change my mind when I know it won't be right  
And in so many ways you were made to be my man  
Why I had to make you cry, oh I hope you understand

I wish I could have loved you more  
I wish I could have loved you more  
I wish I could have loved you more  
I wish I could have loved you more

And ever since that day, boy I had to say goodbye  
How I long to change my mind, oh I know it won't be right  
And in so many ways you were made to be my man  
Why I had to make you cry, oh I hope you understand

I wish I could have loved you more  
I wish I could have loved you more
