

# Take My Breath Away

Emma Bunton

If I told you how I feel about you  
Would you say the same and  
If I wrote it in a letter  
Would you keep it or throw it away

I never thought I'd feel the way I'm feeling lately  
When everything you seem to do just drives me crazy

Every waking day you take my breath away  
With every word you say you take my breath away  
You look at me that way, baby come what may  
I hope that you'll always know how to take my breath away  
How to take my breath away

You told me how you feel about me  
Cos I did not know  
If you said you'd fill my heart with all your loving  
Till it overflowed

I don't know the way you feel but boy I'm hoping  
I always used to hide a way, but now I'm open

Every waking day you take my breath away  
With every word you say you take my breath away  
You look at me that way, baby come what may  
I hope that you'll always know how to take my breath away  
How to take my breath away

Take my breath away  
Take my breath away  
Take my breath away

Every waking day you take my breath away  
With every word you say you take my breath away  
You look at me that way, baby come what may  
I hope that you'll always know how to take my breath away  
How to take my breath away  
(How to take my breath away)

Take my breath away  
Take my breath away  
(How to take my breath away)  
Take my breath away

Take my breath away  
Take my breath away  
Take my breath away
