

Sadie

Emma Drobná

I cry for you every other day but you ain't worth it no
But the love and what I put into us is far above my mind and spirit
Your lies are hateful to me but I don't wanna give up, no-no no-no no-no
My mind stayed sober, talking shit, my heart is laughing at us, at us

I still don't think you deserve my love, but I'd give it up again
You should realize what's happening, we're in heaven, next is hell
If you think we're fine, then I'm happy too, and I thank you as a friend
But remember what is happening, we're in heaven, next is hell

I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness
I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness

I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness
I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness

I know I shouldn't love you, just like I did yesterday (yesterday)
But tell me, there's one thing only, can you say that love away (love away)
Maybe it's not so oddly to be so addicted to you (to you)
I feel a little angry but I'm slowly getting through (getting through)

I still don't think you deserve my love, but I'd give it up again
You should realize what's happening, we're in heaven, next is hell
If you think we're fine, then I'm happy too, and I thank you as a friend
But remember what is happening, we're in heaven, next is hell

I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness
I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness

I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness
I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness

You should know, you should know, you should know
That I care, care, care, care
No, you should know, you should know
That I care, care, care, care (I care)
No, you should know, you should know
That I care, care, care, care

No, no, no
(I'm a sad, I'm a sad, I'm a sadie)
No no no
(I'mma drink, I'mma drink my sadness)
No, no, no
(I'm a sad, I'm a sad, I'm a sadie)
No-no-no-no
(I'mma drink, I'mma drink my sadness)

No, no, no

(I'm a sad, I'm a sad, I'm a sadie)
No no no
(I'mma drink, I'mma drink my sadness)
No, no, no
(I'm a sad, I'm a sad, I'm a sadie)
No-no-no-no
(I'mma drink, I'mma drink my sadness)

I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness
I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness

I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness
I'm a sad, I'm a sad, I'm a sadie
I'mma drink, I'mma drink my sadness
