Why'd you always think we're just for fun, boy I don't buy it  
I know you love me  
I'm tired of playing that I'm hard to get but I can try and I w

I'll keep on trying, oh-oh  
I'll keep on trying, yeah-yeah

I always knew our love was for ever  
I always knew we are one  
I was so sure from the day that I met you  
So don't be a fool, we're not done

I always knew our love was for ever  
I always knew we are one  
I was so sure from the day that I met you  
So don't be a fool, we're not done

And I'll keep on trying  
I'll keep on trying, yeah I will  
I'll keep on trying  
I'll keep on trying (I'll wait for you)  
Just, just, just for you
