

EVERLASTING

Emma Hewitt

Why are you falling my dear?
If you'd take my hand we'll be stronger I swear
And I will pay the price
To be the ground beneath your feet when you rise

You know that I would

Keep a light on those you love
An everlasting glow
When the walls begin to shake
Don't let go
Keep a light on those you love
An everlasting glow
To the ones about to break
You're not alone
You're not alone

Why are you crying those tears?
Cause nothing can hurt you while I'm standing here

You know that I am

Keep a light on those you love
An everlasting glow
When the walls begin to shake
Don't let go
Keep a light on those you love
An everlasting glow
To the ones about to break
You're not alone
You're not alone
You're not alone
