

Just the Way I Am

Emma Louise

Well I'm walking around
Walking around with my head down chasing words you said
And I've done it again
Gone and stepped on your fingers when you were only trying to help
And sometimes I think if you could separate yourself from me you'd be better off
But somehow you always seem to stick around even though I bring you down

But if I can't change
Will you still love me the same?
Oh yes you will, just the way I am
Just the way I am

And you're perfect to me
God must've been so generous when he served up a soul like yours
But when it comes to me
I enjoy too much while I'm selfish and I'm overindulged
And I say let me be but
Somehow you always stay by my side
And I'm glad you know what I mean
Even when I can't make up my mind

But if I can't change
Will you still love me the same?
Well yes you will

Just the way I am
Just the way I am
Just the way I am

When I'm falling over in slow motion
Just the way I am
When I'm melting through the cracks of your floorboards
Just the way I am
When I'm a ghost walking through your front door
Just the way I am
When I can't give you all the love you deserve
