

My Head Is A Jungle

Emma Louise

Hey

Hey

Hey

Hey

My head is a jungle, jungle

My head is a jungle, jungle

My head is a jungle, jungle

My head, oh

I'm speaking soft, see the pain in your eyes

I've been feeling, feeling for you, my love

And our bodies are tired, our shadows will dance

I've been aching, aching for you, my love

My head is a jungle, jungle

My head is a jungle, jungle

My head is a jungle, jungle

My head

My love is wasted, sorry for this

I never meant to be, hurting ourselves, hurting ourselves

And I'm complicated, you won't get me

I have trouble, understanding myself, understanding myself

My love is wasted, sorry for this

I never meant to be, hurting ourselves, hurting ourselves

And I'm complicated, you won't get me

I have trouble, understanding myself, understanding myself

My head is a jungle, jungle

My head is a jungle, jungle

My head is a jungle, jungle

My head

Oh oh oh oh oh...

My head is a jungle, jungle

My head is a jungle, jungle

My head is a jungle, jungle

My head

My love is wasted, sorry for this

I never meant to be, hurting ourselves, hurting ourselves

And I'm complicated, you won't get me

I have trouble, understanding myself, understanding myself
