

# Shadowman

Emma Louise

I know better than  
To rely on a shadow  
Or to lean on his promises  
To wait for the love he brings

Oh, I know better than  
To rely on the words of a shadow  
And how dare he hold me like rain  
And let me slip through his fingers  
And I come back again and again and again  
Well I guess I just miss him

Oh my shadowman  
Oh my shadowman

Oh and tell me can you change a man?  
Make him feel the love you're carrying  
Without taking away his pride  
Well how long do I wait in line?

Oh I know better than to rely  
Or wait in line, for my shadowman  
And how dare he hold me like rain  
And let me slip through his fingers  
And I come back again and again and again  
Well I guess I just miss him

Oh, yes I do, I just miss him  
Through and through, yes I do  
I can't help but miss him  
Oh my shadow

Can you hold me like rain  
Let me slip through your fingers  
And then do it again and again and again  
And I'll come back again and again and again  
And I'll come back again

Yes I'll do this for my shadowman  
Oh my shadowman  
Shadowman  
Oh my...
