

To Keep Me Warm

Emma Louise

The night is slow
I don't like to sleep alone
And I'm tired
I'm cold

But she gets to sleep with him
To keep her warm
And they'll get some love
Some loving
And I won't
I'm alone, I'm alone
When you're gone

And your head and hands are strong
I don't like to let you down
But I'll love
I'll love, I'll love

Lost, I am dust
When you're gone, I am dust
Lost, I am dust
When you're gone, I am dust

But I want to sleep with him
To keep me warm
And I need some love, loving.
