Speaking softly, my love, speak softly
You can feel that I want deep loving
I could kill for you, and do so slowly
I could kill for you...

I can do so slowly
Do so fast
You don't know me
Don't say that
She's Italian

And a ten ten yah
She's a model

Sippin' hot coco in a glass
Brand new shoes
Brand new bag

Lowkey moves and highkey checks
You don't want no smoke like a cigarette
