

# Rabbit

Emmelie de Forest

So many things on my agenda  
Gotta take, get out them all  
Bills to pay and mails to send out  
So many people I should call  
And I know, I know  
It all needs to be done somehow  
But I can't, I can't  
I really can right now

I gotta walk my rabbit, my rabbit  
My itsy bitsy rabbit  
Don't you get it? Don't you get it?  
Gotta do it, it's a habit  
My rabbit, my rabbit  
My teeny tiny rabbit  
You can have it, don't you get it?  
Gotta go and walk my rabbit

Go into the naked eyes  
Run, and then I forget the names  
Jump, with not a care in the world  
When I walk my rabbit  
I believe in love and magic

Go into the naked eyes  
Run, and then I forget the names  
Jump, with not a care in the world  
When I walk my rabbit  
I believe in love and magic

You think I'm easily persuaded  
By a handsome guy like you  
But it's far more complicated  
Boy, you just don't have a clue  
You know, you know  
I would love to go out with you  
But I can't, I can't  
I got other things to do  
Think about it

Go into the naked eyes  
Run, and then I forget the names  
Jump, with not a care in the world  
When I walk my rabbit  
I believe in love and magic

Go into the naked eyes  
Run, and then I forget the names  
Jump, with not a care in the world  
When I walk my rabbit  
I believe in love and magic

Go into the naked eyes  
Go into the naked eyes  
When I walk my rabbit  
I believe in love and magic

I gotta walk my rabbit, my rabbit  
My itsy bitsy rabbit  
Don't you get it? Don't you get it?  
Gotta do it, it's a habit  
My rabbit, my rabbit  
My teeny tiny rabbit  
You can have it, don't you get it?  
Gotta go and walk my rabbit  
My rabbit, my rabbit  
My itsy bitsy rabbit  
Don't you get it? Don't you get it?  
Gotta do it, it's a habit  
My rabbit, my rabbit  
My teeny tiny rabbit  
You can have it, don't you get it?  
Gotta go and walk my rabbit  
My rabbit, my rabbit  
My itsy bitsy rabbit  
Don't you get it? Don't you get it?  
Gotta do it, it's a habit  
My rabbit, my rabbit  
My teeny tiny rabbit  
You can have it, don't you get it?  
Gotta go and walk my rabbit  
My rabbit, my rabbit  
My itsy bitsy rabbit  
Don't you get it? Don't you get it?  
Gotta do it, it's a habit  
My rabbit, my rabbit  
My teeny tiny rabbit  
You can have it, don't you get it?  
Gotta go and walk my rabbit
