

## Demons With Ryu

Emmure

Tatsumaki Senpuukyaku  
I am no one  
I am the fighter with no name  
I am no one  
I've been training everyday  
I am no one  
I am the walking vagabond  
I am no one  
This devil in me lives  
This never ending conflict is all I have  
(This never ending conflict)  
I've been spending everyday Under waterfalls  
And yet I still cannot become the person I've been dreaming of  
I wonder if I've been wasting my time  
This conflict never ends  
And still I try  
Shoryuken This never ending conflict This never ends  
(And still I try)  
"Round One, Fight!"
