

## Smokey

Emmure

I find this scientifically fascinating

Running in circles  
Salvation  
Running in circles  
You're always judging me  
You are stuck, stuck in mud  
Uncover me, burning free  
So that they learn

Just like a dog  
Choke on your voice  
Just like a dog  
You'll dig your own grave

Run

Show your teeth  
Now play dead  
Show your teeth  
Now play dead  
Show your teeth  
Now play dead  
Show your teeth  
Now play dead

Now that you play dead, you're dead bitch
