

# MATRIX

Emmy Meli

I've been eating dreams for breakfast  
'Cause I'm starving and broke, broke, broke  
At least you don't gotta be rich  
To know that I'm woke, woke, woke  
Bitches asking who my surgeon is  
And I just tell them God  
Daddy said my can-do attitude will get me very far

Another day lost in the Matrix  
Bland cereal, they don't have Trix  
Everybody knee-deep for the riches  
Only care about who everybody else is  
Another day lost in the Matrix  
Nobody looking for all the puzzle pieces  
Only care about the weed and the bitches  
Another day lost in the Matrix

Another day, another day  
Another day, another day  
Another day, another day  
Another day lost in the Ma-ma-ma-ma-ma-ma  
In the Matrix, in the Matrix  
In the Ma-ma-ma-ma-ma-matrix  
Yeah-yeah-yeah-lah-lah-lah  
Yeah-yeah-yeah-lah-lah-lah  
Yeah-yeah-yeah-lah-lah-lah  
Yeah-yeah-yeah-lah-lah-lah  
Yeah-yeah-yeah-lah-lah-lah  
Yeah-yeah-yeah-lah-lah-lah

I just light another cigarette  
American blue spirit to curb my appetite  
Roll my jeans up so they don't get wet  
Don't let their words get to my head  
I'm all bark and no bite (Bite, bite)  
Bite bite, brains telling me to be quiet, quiet  
Work my shit out I'm trying, trying  
Jet blue on the grass, I'm so fly high  
Under the giving tree, we're all lying, lying  
Notice me, notice me, notice me, notice me  
Everybody pleads  
Everybody's needs  
Bruises on everybody's knees  
Notice me notice me notice me notice me  
Everybody pleads  
Everybody's needs  
Bruises on everybody's knees

Another day lost in the Matrix  
Bland cereal, they don't have Trix  
Everybody knee-deep for the riches  
Only care about who everybody else is  
Another day lost in the Matrix  
Nobody looking for all the puzzle pieces  
Only care about the weed and the bitches  
Another day lost in the Matrix

Another day, another day, another day  
(Another day, another day)  
Another day, another day  
(Another day, another day)  
Another day, another day  
(Another day, another day)  
Another day, another day  
In the Ma-ma-ma-ma-ma-matrix  
Matrix, Matrix

I've got a secret (Got a secret)  
If I told you, could you keep it? (Could you keep it?)  
Did you know that we're all dreaming? (Oh, I'm dreaming)  
You've got a secret  
And everyone has seen it (They don't seen it)  
We're asleep when we're awake
