

# Algorithm

Emmy the Great

Yoo-u-ooo  
Yoo-u-ooo-ooo-ooo  
Yoo-u-ooo  
Yoo-u-ooo-ooo-ooo

I've gotta find a place for the love I have within  
Pumping through my heart like an algorithm  
Showing me the way in this world we live in  
Pumping through my heart, its an algorithm

I hope it leads me to Yoo-u-ooo  
Yoo-u-ooo-ooo-ooo  
Yoo-u-ooo  
Yoo-u-ooo-ooo-ooo

Thought I found a place for the love I have within  
Pumping through my heart like an algorithm  
Showing me the way in this world We live in  
Pumping through my brain its an algorithm

I hope it leads me to Yoo-u-ooo  
Yoo-u-ooo-ooo-ooo  
Yoo-u-ooo  
Yoo-u-ooo-ooo-ooo

Pumping through my heart  
Pumping through my heart  
Gotta find place  
Gotta find a place  
Aaaa-aaa--aaa--aaa-aahhh

Talk to me like you're walking me home  
Tell me something that nobody knows  
You know this only gets louder  
And this could be the day  
That just keeps coming around

Yoo-u-ooo  
Yoo-u-ooo-ooo-ooo  
Yoo-u-ooo  
Yoo-u-ooo-ooo-ooo

I hope it leads me to  
Yoo-u-ooo  
Yoo-u-ooo-ooo-ooo  
Yoo-u-ooo  
Yoo-u-ooo-ooo-ooo
