

Even Cowgirls Get The Blues

Emmylou Harris

Eb **Ab**
She's a rounder I can tell you that
Eb **B**
She can sing 'em all night too
Eb **Ab**
She'll raise hell about the sleep she lost
Eb **B** **Eb**
Even cowgirls get the blues
Eb **Ab**
Especially cowgirls they're the gypsy kind
Eb **B**
And need their reins laid on 'em loose
Eb **Ab**
She's lived to see the world turned upside down
Eb **B** **Eb** **Eb**
Hitchin' rides out of the blue
Eb **Ab**
Even cowgirls get the blues sometimes
Eb
Bound to don't know what to do sometimes
Ab
Get this feeling like she's too far gone
B **Eb**
The only way she's ever been

Eb **Ab**
Lonely nights are out there on the road
Eb **B**
Motel ceiling stares you down
Eb **Ab**
There must be safer ways to pay your dues
Eb **B** **Eb**
Even cowgirls get the blues
Eb **Ab**
Even cowgirls get the blues sometimes
Eb
Bound to don't know what to do sometimes
Ab
Get this feeling like she's too far gone
B **Eb**
The only way she's ever been
Eb **Ab**
Even cowgirls get the blues sometimes
Eb
Bound to don't know what to do sometimes
Ab
Get this feeling like the restless wind
B **Eb**
The only way she's ever been
