

# You Don't Know Me

Emmylou Harris

You give your hand to me and then you say hello and I can hardly speak  
My heart is beating so  
And anyone could tell you think you know me well  
But you don't know me

No you don't know the one who dreams of you at night  
And longs to kiss your lips and longs to hold you tight  
I'm just a friend that's all I've ever been  
But you don't know me

For I never knew the art of making love  
Though my heart aches with love for you  
Afraid and shy I let my chance go by  
The chance that you might love me too

For I never knew the art of making love  
Though my heart aches with love for you  
Afraid and shy I let my chance go by  
The chance that you might love me too

You give your hand to me and then you say goodbye  
I watch you walk away and in my heart I cry  
To never never know the one who loves you so cause you don't know me
