Simple Things

Emotional Oranges

In my dreams
You were mine in my head
Guaranteed
Suffocate, no escape
In my sleep
Hands intertwined
At the same old time
Waking up to someone else

Why don't you just let go?
She can't be no good
But is it really that simple?
I hope you change your mind
I still hear you echo
Got me searching for you
But is it really that simple?
I hope you change your mind

I'm ready to risk it, girl, I'ma risk it all for you
Don't care 'bout the distance girl, I'm doing these things all for you
I'm ready to risk it, girl, I'ma risk it all for you
Don't care 'bout the distance, girl, I'm doing these things all for you

Still cravin' your affection
I really live for our connection
There's no way she's as patient
It just feels like you're bored and complacent
Oh, so tired, I'm so tired of
Feelin', feelin', feelin' like this
Feelin', feelin', feelin' like this, yeah

Why don't you just let go?
She can't be no good
But is it really that simple?
I hope you change your mind
I still hear you echo
Got me searching for you
But is it really that simple?
I hope you change your mind

I'm ready to risk it, girl, I'ma risk it all for you
Don't care 'bout the distance girl, I'm doing these things all for you
I'm ready to risk it, girl, I'ma risk it all for you
Don't care 'bout the distance, girl, I'm doing these things all for you

Don't need to overcomplicate it
All the simple things
Don't need to overcomplicate it
All the simple things
Don't need to overcomplicate it
All the simple things
Don't need to overcomplicate it
Yeah, yeah, yeah
