

Wrong Hands

Emotional Oranges

Yea you know that
Remember I'm not so typical
And some say I'm difficult whatever
Won't lose my balance
I don't really know what they all sayin
I'm not the one to play with
So out of your league
And we established
I don't care bout status and
Just recognize me if
You're looking for real love

You're dealing with a grown man
I just want romance
Bring you flowers in the pouring rain
I can't leave you in the wrong hands baby
I'm taking you out on a Friday night
All the tension between us I cut
I'm reading your mind
Tell your friends we leavin
It's about that time
Find me in the car
And I'm just parked right outside

Now let me tell you I'm all that
Just look around
I'm not that simple
And they say I'm too cynical whatever
I like a challenge
Men come and go seen too many stages
Puttin on a show it's so entertaining
Still out of your league
And we established
I don't care bout status and
Just recognize me if
You're looking for real love

You're dealing with a grown man
I just want romance
Bring you flowers in the pouring rain
I can't leave you in the wrong hands baby
I'm taking you out on a Friday night
All the tension between us I cut
I'm reading your mind
Tell your friends we leavin
It's about that time
Find me in the car
And I'm just parked right outside

You know it's so hard when
You pushing my buttons
You told me I love it
Keep goin we're on and on
You know it's so hard when
You pushing my buttons
You told me I love it
Keep goin

We're on and on

I'm taking you out on a Friday night
All the tension between us I cut
I'm reading your mind
Tell your friends we leavin
It's about that time
Find me in the car
And I'm just parked right outside
