

Aces High

Empire Cast

We thrown' caution to the sky
Poppin' rainbows like all the time
We on another level high
The DJ is my alibi

(Pull up) Let's play a game, watch you fall like a house cards
No poker face, no you can't beat the Queen of Hearts

I'ma throw my aces high
Bet you gonna bet on me tonight
I'ma throw my aces high
Yeah, I'm going all in, money where my mouth is
I'ma throw my aces high
I'ma let you pay that price tonight
I'ma throw my aces high
If you going all in, money where your mouth is
If you going all in, money where your mouth is
If you going all in, money where your mouth is

I'm cashin' in, they goin' broke
They mad but winnings all I know
No cameras please, I'm in my zone
Yeah, my crew deep, that's how we roll

(Pull up) Let's play a game, watch you fall like a house cards
No poker face, no you can't beat the Queen of Hearts

I'ma throw my aces high
Bet you gonna bet on me tonight
I'ma throw my aces high
Yeah, I'm going all in, money where my mouth is
I'ma throw my aces high
I'ma let you pay that price tonight
I'ma throw my aces high
If you going all in, money where your mouth is
If you going all in, money where your mouth is
If you going all in, money where your mouth is
