

Do It Right

Empire Cast

If you gon' do it, do it right
Live your life
Feel the high
Let it shine
Don't let 'em kill your vibe
It's alright
We win, we win, we win
And run it back one more time
If you gon' do it, do it right

My trip is so frio
My mami so fuego
Mucho dinero
Never poquito
They not on my level, I got a big ego
She love to call me papacito, yeah

I know you see it, see it, come check up on it, on it
If you want it, keep it, keep it a hunnid, hunnid
Problems, you don't want these problems
I'ma need a big bag, su casa mi casa

If you gon' do it, do it right
Live your life
Feel the high
Let it shine
Don't let 'em kill your vibe
It's alright
We win, we win, we win
And run it back one more time
If you gon' do it, do it right

Look like a winner, walk, talk like a winner
Climb from the bottom, got heart like a winner
I ain't never need a headstart, I'm a winner
Winner, winner, winner, winner
I do my dance, I do the Running Man
Go to the bank, this is my winning speech
I like to thank, all of my haters
My haters, my haters, my haters, my haters
I'm a little bit too good
You're a little bitty, bitty, bitty, bitty, bitty too small
I take the G5 to another city just to ball
I ball way too hard, I'm a winner, uh
Whether the odds are against me
I never fall off course and all this attention
Let's give another round of applause and a mention

If you gon' do it, do it right
Live your life
Feel the high
Let it shine
Don't let 'em kill your vibe
It's alright
We win, we win, we win
And run it back one more time

If you gon' do it, do it right
Live your life
Feel the high
Let it shine
Don't let 'em kill your vibe
It's alright
We win, we win, we win
And run it back one more time
If you gon' do it, do it right
