

# Hate The Game

Empire Cast

When you out here in the cold, you can't trust a soul  
Gotta play your cards, you can never fold  
If you call yourself a man, you gotta hold your ground  
Make a plan and don't let nobody hold you down  
Can't be timid in these streets, if you tryna eat  
Just make sure you got that heat incase they got some beef  
I ain't got no time to chill, they gon' get you killed  
Money on my mind, gotta pay some bills

I'm just ridin' round, ridin' round, ridin' 'round  
With that thang, with that thang, with that thang  
I'm just ridin' round, ridin' round, ridin' 'round  
With that thang, with that thang, with that thang

Because a pimp gon' be a pimp  
A playa gonna play the game (shown up, shown up)  
A pimp gon' be a pimp, don't hate the player, hate the game  
Don't hate the player, hate the game  
Don't hate the player, hate the game (shown up)  
Don't hate the player, hate the game  
Don't hate the player, hate the game (shown up)

Money come, and money go  
Flip a dollar, stack some more  
He just want love, he just want love, he just want love  
But I give him none, I give him none

I'm just ridin' round, ridin' round, ridin' 'round  
With that thang, with that thang, with that thang  
I'm just ridin' round, ridin' round, ridin' 'round  
With that thang, with that thang, with that thang

Because a pimp gon' be a pimp  
A playa gonna play the game  
A pimp gon' be a pimp (shown up)  
Don't hate the player, hate the game  
Don't hate the player, hate the game  
Don't hate the player, hate the game (shown up)  
Don't hate the player, hate the game  
Don't hate the player, hate the game (shown up)  
Oh, yeah

A pimp gon' be a pimp  
A playa gonna play  
Pimp is in my blood  
Pimp is in my blood  
Pimp is in my blood  
It's in my DNA

Because a pimp gon' be a pimp  
A playa gonna play the game  
A pimp gon' be a pimp (shown up)  
Don't hate the player, hate the game  
Don't hate the player, hate the game  
Don't hate the player, hate the game (shown up)  
Don't hate the player, hate the game  
Don't hate the player, hate the game (shown up)

Oh, yeah
