

# Lean On Me

Empire Cast

Sometimes in our lives we all have pain  
We all have sorrow  
But if we are wise  
We know that there's always tomorrow

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need somebody to lean on

You just call on me brother  
Just call on me brother  
Just call on me brother  
When you need a hand

We gon' call on me brother  
Just call on me brother  
Just call on me brother  
When you need a hand

You kno da vibes  
I'm by ya side  
They say it's war  
I'm down to ride  
Dat Lyon pride  
I got cha back like you got mine  
Through da hardest times  
I'm so amazed  
We in this maze  
That God designed  
It's all aligned  
It's all divine  
The joy and pain  
The sun and shine  
One hundred times  
Enjoy the rain  
It's sorta strange  
But I feel blessed  
When you could've been real stressed  
It was designed to define the real test  
It'll be fine, just keep climbing the hill gets  
A little rough at the top  
But never buckle or stop  
Cause when you down and you out  
That's when they mumble and plot  
Ain't no comfort in growth  
That's when they come for your spot  
Whether you love me or not  
I gotta provide what's mine  
And honor the system assisting  
Those who desire my time  
My soul heart and my mind  
My blood brother, my kind  
Lean on me if you need me  
Everything gon' be fine, yeah

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need somebody to lean on

You just call on me brother  
Just call on me brother  
Just call on me brother  
When you need a hand

We gon' call on me brother  
Just call on me brother  
Just call on me brother  
When you need a hand

Oh, this is for my brother  
I love you like no other  
No matter what you're goin' through  
Lean on me, I'll be there for you  
I love you, Andre, yeah  
We all love you, brother  
We're right here for you, feel it  
We love you
