Make it last forever
(Let's love forever)
(Let's dance forever)
Make it last forever
(Let's live forever)
(This love is forever)

So much hesitating
For what are we waiting
Don't stand there debating
Come wine up ya waist and

We're still moving and I wanna stay
Feels too good to let it end this way

Make it last forever (forever)
Make it last forever (forever)
If all we have is forever (forever)
Make it last forever (forever)

Make it last
(Let's love forever)
(Let's dance forever)
(Let's live forever)
(This love is forever)
Make it last

Heat it up
Burn it up
Leave it up
Like tnat
Fevers up
Keep it up
Don't clean it up
I like that

We're still moving and I wanna stay
Feels too good to let it end this way so

Make it last forever (forever)
Make it last forever (forever)
If all we have is forever (forever)
Make it last forever (forever)

Make it last

Make it last

Make it last forever
Make it last forever
Make it last forever
Feels too good to let it end this way
Make it last forever
Make it last forever
Make it last forever
Oh oh oh

Make it last forever (forever)
Make it last forever (forever more)
If all we have is forever (forever)
Make it last forever (forever)
