

So Cold

Empire Cast

Never seen a girl like
Never put a hold on me
No I, I do it all lone
I'll do it on my own
Nothing ever comes easy
They tell me it was just a dream, but I...
I'mma prove 'em wrong

Are you talkin' to me?
Girl, please
Ha ha ha ha
Skrrrt
I don't need your attitude
Don't want your goofy ass man with the busted shoes
I'm walking in bossed up, got a lot to prove
I'm breaking necks with the way my body move
I know they asking who's that chick with all the confidence
Step into the room like she's ownin' this
I'm coming for your check, imma garnish it
I don't want a piece, I want all of this

And I woke up in a panic, gotta get money
Another day, another dollar
No it ain't funny
Usain gonna bolt, gotta keep running
Won't stop till I'm on top baby, like...

Cold, never seen a chick so cold
Never seen a whip so cold
Tell me, have you ever seen a chick so cold? (no)
They be like "No, we never seen a chick so cold"
Never seen a chain so gold (bling)
Never seen a wrist so froze (froze)
Diamonds on my neck, all glow
Ice like I'm from the North Pole
Never seen a chick so cold
Yo

You're irrelevant, I'm the opposite
You're straight off the rack, I'm custom fit
Got a lot to lose, don't know the half of it
I hate starting over, so I never quit
This is real life, no experiment
Ain't got a care to give, it's a deficit
You should step aside, if you delicate
Bow down, make way for my Genesis

And I woke up in a panic, gotta get money
Another day, another dollar
No it ain't funny
You sing on a boat, gotta keep running
Won't stop until I'm on top baby, like...

Cold, never seen a chick so cold
Never seen a whip so cold
Tell me, have you ever seen a chick so cold? (no)
They be like "No, we never seen a chick so cold"

Never seen a chain so gold (bling)
Never seen a wrist so froze (froze)
Diamonds on my neck, all glow
Ice like I'm from the North Pole
Never seen a chick so cold
Yo

Gonna get my dollars, gonna get my change
Won't stop till the whole world knows my name
I'm a badass chick, didn't come to play
And you best believe I'm 'bout to get paid
Gonna make these dollars, gonna get my change
Gonna make this money, gonna get my fame
I'm a badass chick, didn't come to play
And you best believe, I'm about to get paid

Cold, never seen a chick so cold
Never seen a whip so cold
Tell me, have you ever seen a chick so cold? (no)
They be like "No, we never seen a chick so cold"
Never seen a chain so gold (bling)
Never seen a wrist so froze (froze)
Diamonds on my neck, all glow
Ice like I'm from the North Pole
Never seen a chick so cold
Yo

(I'm so cold)
So cold
So, shining my light, I'm the best
Never seen nobody like me
So cold
So
Shining my light, I'm the best
Never seen nobody like me
