

## So What

Empire Cast

So what, I'm gay, it don't matter.  
God ain't made you no better than me.  
When I pray, he still answers.  
Maybe you need to get on your knees.  
No weapon shall prosper, no weapon shall prosper.  
Your sin ain't no better than my sin, your skin ain't no better  
than my skin.  
So point all the fingers you want...bitch.
